2011 Illowa Bi-State Combined Federal Campaign

Dear Brothers and Sister of Labor:

The Labor Unions on Rock Island Arsenal are very proud to endorse the 2011 Illowa Bi-State Combined Federal Campaign (CFC). This year our campaign theme is "Fifty Years of Caring."

Last year the Illowa Bi-State CFC raised \$827,601 in donations. This money provides support for many local, national, and international charitable organizations. These agencies provide benefits for people who need and deserve our assistance. This includes union members who are affected by natural disasters, house fires, illnesses, and labor related disabilities. Any of us could find ourselves or our families benefitting from the aid of a CFC organization. Your generous donations to the Combined Federal Campaign helps provide vital funding for our community safety net. There are many government employees from 37 counties in Western Illinois and Eastern Iowa participating in our 2011 Campaign. We thank you in advance for helping improve the quality of life for so many people.

It's easy to participate through payroll deduction or a one-time donation. Please help your friends and neighbors by making a pledge to this year's Combined Federal Campaign.

We invite employees to join us on Wednesday, October 5, 2011 for the Combined Federal Campaign Kick Off Walk "Walk This Way". This event will start at 1030 and there will be three starting points, Bldg. 299 NE, Memorial Field and the Island PX. Employee participation should be addressed by each organization/supervisor in respect to the willingness of the organization to allow their employees to participate. Employees will gather outside shortly after 1030 and join in the walk to the Fire Station; where we will officially kick off the Arsenal Island 2011 Combined Federal Campaign. Many of our local CFC Agencies will have tables and displays located in the Fire Station. These folks will be more than happy to answer questions and share information about their respective agencies. Walking Tacos will be sold with proceeds going to CFC general fund. Major General Yves Fontaine, Commanding General US Army Sustainment Command is the 2011 CFC Honorary Chair.

In Solidarity
